

MDOC Employee Relief Fund

The Mississippi Department of Corrections Employee Relief Fund (ERF) is designed to provide basic necessities and temporary relief to its employee member participants in the event of a disaster, terminal disease, or an accident which results in serious injury or death. In the event of death of an employee's immediate family member, a monetary courtesy and a card will be extended.

The ERF is available to active full-time/part-time MDOC state employees. Eligible employees have the option of contributing \$1.00 or more per month through payroll deduction or by sending funds directly to the Community Foundation of the Greater Jackson Area (CFGJ). Please contact your respective Personnel Office to sign up for the Mississippi Department of Corrections Employee Relief Fund.
